David Peer

PhD Student

David Peer is currently a PhD student in the Intelligent and Interactive System group of the department of Computer Science at the Universität Innsbruck (Austria) under the supervision of Antonio Rodriguez-Sanchez. He obtained the degree of M.Sc and B.Sc in Computer Science at the Universität Innsbruck (Austria). His current research interest include explainable ai (especially learning mechanisms), learning theory and deep learning.

Areas of Interest

- Explainable AI (especially learning mechanisms) - I'm really interested why neural networks often can not learn from data
- Learning Theory - See also Understanding Machine Learning: From Theory to Algorithms
- Machine Learning, Deep Learning, Computer Vision

Positions

09.2019 - Today | Researcher at University of Innsbruck (IIS group)
02.2019 - 09.2019 | Researcher at University of Innsbruck (DPS group)
04.2012 - 08.2018 | Software Developer at World-Direct eBusiness Solutions
06.2010 - 04.2012 | Embedded Software Developer at Heliotherm

Education

2019 - Today | PhD Computer Science, University of Innsbruck
2017 - 2019 | MSc Computer Science, University of Innsbruck
2014 - 2017 | BSc Computer Science, University of Innsbruck
2005 - 2010 | HTL Elektronik, Innsbruck

Certifications

- Microsoft Certified Solutions Developer - App Builder
- Microsoft Certified Solutions Developer - Web Applications
- OMG Certified UML Professional
