David Peer

PhD Student

I'm a Ph.D. student in the Intelligent and Interactive System group at the Universität Innsbruck (Austria) under the supervision of Antonio Rodriguez-Sanchez and I'm working at DeepOpinion as a machine learning researcher. I obtained the degree of M.Sc and B.Sc in Computer Science at the Universität Innsbruck (Austria) and study currently the gap between expressivity and learnability of neural networks. At DeepOpinion I study how we can transform this knowledge into novel AutoML or Neural Architecture Search (NAS) algorithms for Natural language processing (NLP) models to outperform current SOTA methods.

Areas of Interest

- Understanding the gap between expressivity and learnability of neural networks (1, 2, 3, 4)
- Topics: Learning Theory, Deep Learning, Machine Learning, Natural language processing
- Hobbies: Climbing, hiking, trumpet etc.

Positions

01.2020 - Today | Machine Learning Researcher at DeepOpinion
09.2019 - 12.2020 | Researcher at University of Innsbruck (IIS group)
02.2019 - 09.2019 | Researcher at University of Innsbruck (DPS group)
04.2012 - 08.2018 | Software Developer at World-Direct eBusiness Solutions
06.2010 - 04.2012 | Embedded Software Developer at Heliotherm

Education

2019 - Today | PhD Computer Science, University of Innsbruck
2017 - 2019 | MSc Computer Science, University of Innsbruck
2014 - 2017 | BSc Computer Science, University of Innsbruck
2005 - 2010 | HTL Elektronik, Innsbruck

Certifications

- Microsoft Certified Solutions Developer - App Builder
- Microsoft Certified Solutions Developer - Web Applications
- OMG Certified UML Professional
