

Matteo Saveriano

Postdoc

Office: T12 (ICT) 3N10

Phone: +43 512 507 53433

Email: matteo.saveriano@uibk.ac.at

Research Interests

- Intuitive Skills Transfer
- Safe Human-Robot Interaction
- Learning and Interpreting Human Activities
- Machine Learning for robotics

Positions

- Postdoctoral Researcher at the Department of Computer Science, Intelligent and Interactive Systems, and at the Digital Science Center (DiSC), University of Innsbruck (since June 2019)
- Postdoctoral Researcher at the Institut of Robotics and Mechatronics, German Aerospace Center (DLR) (2018-May 2019)
- PhD Candidate at the Chair of Human-Centered Assistive Robotics (HCR), Technical University of Munich, Munich, Germany (2012-2017)

Education

- 2017 PhD in Robotics and Automatic Control Engineering, Technical University of Munich, Munich, Germany
- 2011 MSc in Automatic Control Engineering, Università degli Studi di Napoli Federico II, Naples, Italy
- 2008 BSc in Automatic Control Engineering, Università degli Studi di Napoli Federico II, Naples, Italy
