

## Matteo Saveriano

### Postdoc

Office: T12 (ICT) 3N10

Phone: +43 512 507 53433

Email: [matteo.saveriano@uibk.ac.at](mailto:matteo.saveriano@uibk.ac.at)

External WebPage: [my site](#)

### Research Interests

---

- Intuitive Skills Transfer
- Safe Human-Robot Interaction
- Learning and Interpreting Human Activities
- Machine Learning for robotics

### Positions

---

- Postdoctoral Researcher at the Department of Computer Science, Intelligent and Interactive Systems, and at the Digital Science Center (DiSC), University of Innsbruck (since June 2019)
- Postdoctoral Researcher at the Institut of Robotics and Mechatronics, German Aerospace Center (DLR) (2018-May 2019)
- PhD Candidate at the Chair of Human-Centered Assistive Robotics (HCR), Technical University of Munich, Munich, Germany (2012-2017)

## Education

---

- 2017 PhD in Robotics and Automatic Control Engineering, Technical University of Munich, Munich, Germany
- 2011 MSc in Automatic Control Engineering, Università degli Studi di Napoli "Federico II", Naples, Italy
- 2008 BSc in Automatic Control Engineering, Università degli Studi di Napoli "Federico II", Naples, Italy

## Publications

---

See [Google Scholar](#)

## Teaching

---

Winter semester 2019/2020

- [Introduction to Robotics \(VU3, Bachelor\)](#)
- [Masterseminar 1 \(SE2, Master+PhD\) Group 5](#)

## Projects

---

- [] ()

## Initiatives, Events

---

- []
