

# **Matteo Saveriano**

## **Assistant Professor**

Office: T12 (ICT) 3N07 Phone: +43 512 507 53433

Email: matteo.saveriano@uibk.ac.at

External WebPage: my site

## **Research Interests**

- Intuitive Skills Transfer
- Safe Human-Robot Interaction
- Learning and Interpreting Human Activities
- Machine Learning for robotics

#### **Positions**

- Assistant Professor at the Department of Computer Science, Intelligent and Interactive Systems, and at the Digital Science Center (DiSC), University of Innsbruck (since January 2020)
- Postdoctoral Researcher at the Department of Computer Science, Intelligent and Interactive Systems, and at the Digital Science Center (DiSC), University of Innsbruck (June-December 2019)
- Postdoctoral Researcher at the Institut of Robotics and Mechatronics, German Aerospace Center (DLR) (2018-May 2019)
- PhD Candidate at the Chair of Human-Centered Assistive Robotics (HCR), Technical University of Munich, Munich, Germany (2012-2017)

# Last update: 2020/01/08 15:38

#### **Education**

- 2017 PhD in Robotics and Automatic Control Engineering, Technical University of Munich, Munich, Germany
- 2011 MSc in Automatic Control Engineering, Università degli Studi di Napoli "Federico II", Naples, Italy
- 2008 BSc in Automatic Control Engineering, Università degli Studi di Napoli "Federico II", Naples, Italy

#### **Publications**

See Google Scholar

## **Teaching**

Winter semester 2019/2020

- Introduction to Robotics (VU3, Bachelor)
- Masterseminar 1 (SE2, Master+PhD) Group 5

## **Projects**

• [] ()

# **Initiatives, Events**

 Organizer of the 13th International Workshop on Human-Friendly Robotics (HFR 2020) (see https://iis.uibk.ac.at/conferences/hfr2020/)
