Xiang Zhang

PhD Student

Office: T12 (ICT) 3N05
Phone: null
Email: xiang.zhang@uibk.ac.at

Areas of Interest

- Learning from Demonstration
- Theory of Action
- Adaptive Manipulation

Positions

- PhD students at the Department of Computer Science, Intelligent and Interactive Systems, University of Innsbruck (since 2017)

Education

- 12/2016 Master of Science in system and control from Delft University of Technology
- 9/2012 Bachelor Degree in Automation from Northeastern University in China

Talks and Workshops

Publications

—

Teaching Assistance

- Pro-seminar Introduction to Autonomous and Interactive Systems (Summer 2018)
